BOARD APPROVED COURSES TO MEET TRAINING REQUIREMENTS SET FORTH BY T.C.A. 62-32-312(g)

Listed below are training courses approved by the Board as "equivalent" training for alarm employees.

Tennessee Code Annotated § 62-32-312(g) - Effective January 1, 2005

(g) All alarm system contractor employees who sell, install or repair alarm systems, including closed circuit television systems shall take and successfully complete the National Burglar and Fire Alarm Association Level 1 or equivalent training. The Board may determine what constitutes equivalent training.

- (1) Current employees must successfully complete the Level 1 or equivalent training within two (2) years of the effective date of the act. [January 1, 2005]
- (2) New Employees after the effective date of the act must successfully complete such training within one (1) year.
- (3) Employees not in compliance with this subsection shall not sell, install or repair alarm systems, including closed circuit television systems.

(h) All alarm systems contractors shall provide proof of employee training upon request by the board.

(i) Any costs associated with the alarm system training required by this section shall be the responsibility of and paid by the alarm system contractor who employs the person being trained.
